

# Dustpan with Brush and Rubber Edge

Art No FCMICO00114

Material Plastic

Uses for manual dry floor cleaning

Country of Origin UAE

The Dustpan with Brush and Rubber Edge is used for manual dry floor cleaning to pick up dust and dirt particles in just one sweep making your cleaning tasks even easier.

- › The flexible rubber lip helps mold the pan edge to uneven floor surfaces for more effective dust pick up.
- › To be used in places where manual dry floor cleaning on daily basis is required.

Intercare Floorcare guarantees the quality of the product . Its application recommendations are based on the test and practical experience . we accept no responsibility for damage caused through improper use of the product .
